Welcome to the Class of 2012!

Welcome back Class of 2012!! Congratulations on completing your junior year! I hope everyone enjoyed their summer, as it is now time for your final chapter at the Ridgetown Campus. Enjoy this last year to the best of your abilities and get started the day you arrive. I encourage everyone to make new memories this year and keep them with you throughout your life. If you thought first year flew by, second year will go by even faster, so take every moment for what it is, as it will pass by in heartbeat. Continue setting new goals for yourself and set the bars even higher. As seniors this year, I encourage all of you to help the juniors become familiar with the campus and all it has to offer, as you were juniors just a year ago. Encourage them to come out to sports, clubs and all the exciting activities Student Council puts on for everyone. I hope we can make this year even better than the last!! Look forward to seeing you all!!

Karen Moyer – Student Council President 2011/2012
