Frequently Asked Questions (FAQ's)

Q: How do I apply for any of the awards listed in this handbook?

A: Please review the available awards for this year then submit your application online through the [Ridgetown Awards Application Form](#) – Fall 2022.

The Needs Assessment Form (NAF) required for bursaries is also completed online: [2022-23 Undergraduate Needs Assessment Form](#)

Note: Only one Needs Assessment Form (NAF) needs to be submitted per academic

Q: How do I report the award amount that I've received on my OSAP application?

A: If you are a recipient of an award (or awards) from Ridgetown Campus and receive OSAP, the amount received will be reported by the Student Financial Aid & Awards Counsellor on your OSAP application. Please note, depending on the amount of scholarship/award money you receive, your OSAP funding may be reassessed.

If you receive any additional external awards or bursaries, you need to report your total award value amount as award income on your OSAP application.

Note: Students that receive needs-based bursaries from Ridgetown Campus will not have these values reported on their application as they are OSAP-exempt. External bursaries need to be reported as award income.

Q: When will I receive my award (monetary or gift)?

A: You will be notified via your uoguelph email if you have been selected to receive an award. The Fall Awards program (entrance and in-course awards) will be awarded in the fall semester at the November Fall Awards Banquet (if operationally possible).

Financial Needs-Based Scholarships and Bursaries are mostly awarded in the winter semester, mid-to-late February.

The majority of awards and bursaries are awarded through your student account and will be refunded using an EFT process if your student account is paid in full already.
