## Future Students Investigate Ridgetown Campus

L-R: Campus Visitors, Maddie, Vikki and Larry Jerome

On April 21<sup>st</sup>, Ridgetown Campus hosted 150 prospective students, parents and friends from across the province for an Applicant Information Day. The students were here to investigate the Veterinary Technology Diploma or Veterinary Office Administration Certificate, and their day included meeting several staff and current students, and touring the teaching facilities.

Pictured at left, Vikki is a grade 11 student from Woodstock who is currently completing a high school co-op in a veterinary clinic. She is considering the Veterinary Technology Diploma program for the Fall of 2015.

Many of our programs are still open and accepting applications for the September 2014 intake.

For more information on these programs, or to arrange a campus tour, please contact Katie Hunter, Recruitment Co-ordinator, at (519) 674-1500 ext. 63522 or by e-mail at [katieh@uoguelph.ca](mailto:katieh@uoguelph.ca).
