(L-R) **Frank Penner**, future diploma student, with **Katie Hunter**, Campus Recruitment Co-ordinator

Still Time to Tour and Apply to Open Ridgetown Campus Programs

JUNE 11, 2014: Not sure what you want to study this fall? Come visit us at Ridgetown Campus and learn about all the academic programs available to you.

Trees, flowers and shrubs are coming into colour and it's a great time of year to tour our campus and to explore the learning opportunities for September 2014.

Katie Hunter is the Ridgetown Campus Recruitment Co-ordinator and is keen to meet prospective students who are still considering their post-secondary plans. You can book a campus tour with Katie and see the campus for yourself.

We invite you to make a pre-booked appointment for a full campus tour to learn about the Agriculture, Environmental Management and Horticulture Diploma programs offered at Ridgetown Campus; all of which are still accepting applications for this fall. Our certificates in Veterinary Office Administration and Performance Horse Handling are also still accepting applications for this fall.

Interested students are encouraged to contact Katie Hunter to confirm a date and time at katieh@uoguelph.ca or by phone at (519)674-1500 extension 63522.

We look forward to seeing you on campus to explore your post-secondary education options.
