Westag Alumni Return to Campus for Jeans and Jackets Summer Reunion

Over 200 alumni and friends came back home to Ridgetown Campus this past weekend to renew old friendships and learn about current campus programs and priorities. Some alumni cruised into the event in their classic cars, and many guests enjoyed the tractor and wagon campus tours of new and familiar campus facilities. Guests had the opportunity to see the new D. J. Pestell Student Service and Alumni Centre, a \$3.5 million capital improvement, which many alumni contributed to.

Alumni invited back to campus were from classes graduating in years ending in 4 or 9. Guests participated in a number of themed reunion contests, including: best dressed country couple, best country and western hat, best belt buckle and the class with the best overall attendance. The Class of 1964, celebrating their 50th anniversary, took home the honour of highest attendance, and proud alumni sporting their Westag jackets received a Westag alumni mug.

The June 21, 2014 afternoon activities were followed by a BBQ buffet and evening of dancing. Plenty of memories and stories were shared amongst friends and classmates. Thanks to our loyal alumni for coming out and making the Jeans and Jackets Summer Reunion a great success.

A few proud alumni from the Class of 1974 showing off their Westag jackets.

Doug Inglis, Class of 1969, and his wife Patricia brought their 1906 Cadillac all the way from New Liskeard, ON for the classic car show.
