

Ridgetown Campus Fall Awards Celebration

November 23, 2015 – Ridgetown:

**L-R: Rebecca Sands, Award Recipient
with Larry Pajot, Award Presenter**

Recently, students, campus donors, and staff came together at the University of Guelph's Ridgetown Campus to celebrate the many special achievements of our diploma students in their second year of studies.

The awards gathering welcomed Dr. Michael Fife, Ridgetown alumnus and local Chatham veterinarian, as the evening's guest speaker. Following Michael's address, fifty academic and leadership awards were presented to deserving campus students.

In one of many award presentations, Ridgetown alumnus and Agris Co-op Board Chairperson, Larry Pajot, presented the Mike Miller Memorial Award for responsibility and leadership to Rebecca Sands, senior veterinary technology diploma student, on behalf of Agris Co-operative Ltd.

Ridgetown Campus is fortunate to have the on-going support of so many generous individuals and organizations that consistently support our students, and make a significant difference in their lives.
