Come Learn, Get the Facts, Get Engaged, and Be the Change

The opportunity to learn more about your Chatham-Kent community will be the upcoming focus at Ridgetown Campus as community leaders come together to listen, to learn, to engage, to discuss and to make a difference in Chatham-Kent.

“I’m really looking forward to learning more about the Municipality of Chatham-Kent at the upcoming **Chatham-Kent Tomorrow: Be the Change Conference**,” states Campus Director, Dr. Art Schaafsma, “and as active community citizens I challenge you to come to Ridgetown Campus, get involved in the discussions, and then **BE THE CHANGE** that will help lead our rural community forward.”

University of Guelph President, Dr. Alastair Summerlee, will be delivering the keynote address and several additional community leaders will be providing the opportunity to meet and discuss the future of our municipality.

This important civic engagement event will be held on Thursday, November 6, 2008 at the Rudy H. Brown Rural Development Centre from 10:00 AM – 6:00 PM. To learn more about the event or register call the Municipality of Chatham-Kent at 519-360-1998 or go on line to: www.chatham-kent.ca.

Come learn about current population trends. Come learn about youth initiatives. Come learn about the bio-economy. Come learn the current facts about the Municipality of Chatham-Kent.

The Municipality of Chatham-Kent is a valued and on-going community partner at Ridgetown Campus, and we look forward to continuing to work with them in the future.
