

Find Information on

# Animal Genetics

@ your library

## Step 1 : Background

You may need to look up background information or definitions of terms to help you understand your topic better, and to give you ideas on how to dig more deeply for information on it. For other background sources, search the [Library catalogue](#).

### **IVIS**

[www.ivis.org](http://www.ivis.org)

International Veterinary Information Service. Free access to original, up-to-date publications organized in electronic books edited by qualified editors.

### **Merck Veterinary Manual Online**

[www.merckvetmanual.com](http://www.merckvetmanual.com)

A reputable commercial publisher with a large number of terms and definitions.

### **WSU Vet Med Glossary of Terms and Definitions**

<http://www.vetmed.wsu.edu/glossary/glossary.asp>

Washington State University resource for students and professionals.

#### ***Basic Genetics***

**575.1 Har**

**Ridgetown**

#### ***Genetics for dummies***

**576.5 Rob**

**Ridgetown**

#### ***Principles of genetics***

**575.1 Gar**

**Ridgetown**

## **Step 2 : DVDs**

#### ***Genes and Cloning***

**664 Gen**

**Ridgetown**

#### ***Equine Reproduction***

**636.1 Cev**

**Ridgetown**

#### ***Biobasics: microorganisms***

**589.2 Mic**

**Ridgetown**

---

## Step 3 : Books

***Congenital defects of cats***

636.80821 Hos

Ridgetown

***Congenital defects of dogs***

636.70821 Hos

Ridgetown

***Genetics of Livestock Improvement***

636.0821 Las

Ridgetown

***Horse genetics***

636.10821 Bow

Ridgetown

---

## Step 4: Magazines and Scientific Articles

To find articles and current research about your topic, use a journal index online at the Guelph Library website (see link below). A journal index is similar to the library catalogue. It searches a database where articles from magazines and journals are collected. **Look for the 'Get It' button or full-text link** to read articles online.

**Agricola:** a comprehensive index to agricultural and life sciences information.

**CABDirect:** provides international literature in agriculture, forestry, and allied disciplines, including: animal and crop husbandry, animal and plant breeding, plant protection, genetics, forestry engineering, economics & veterinary medicine.

### Journals & Magazines—on our shelves

**TECHNEWS:** national journal for the Ontario Assoc. of Veterinary Technicians

**Veterinary Technician:** the journal for the Veterinary health team

---

## Step 5: Searching the Internet

### Veterinary Information Network (VIN)

<http://www.vin.com>

Join the Veterinary Support Professionals Network for free and find resources and a chat feature to get answers to all your questions from people who are at work in clinics and schools.
